BON VIVANT

BON VIVANT

Length: 49.94 metres (163' 10")

Beam: 9.19 metres (30' 2")

Draft: 1.8 metres (5' 9")

Number of Guests: 12

Number of Crew: 9

Built: 2013

Refit: 2020

Builder: Codecasa

Naval Architect: Andrea Bacigalupo

Flag: Maltese

Hull Construction: Aluminium

Hull Configuration: Semi displacement

Air conditioning, Deck Jacuzzi, Gym/exercise equipment, Stabilisers at anchor, Stabilisers underway, WiFi connection on board

A finalist in both the World Superyacht Awards and ShowBoats Design Awards in 2014, Bon Vivant offers an outstanding charter experience for up to 12 guests. Jet propulsion and a draft of just 6.5' make Bon Vivant ideal for cruising both the shallow waters of The Bahamas and the azure Mediterranean. With six large cabins, she is a popular choice for all charter group configurations. Presented in immaculate condition following a significant 2020 refit, huge investment has been made to update her many charter

amenities, including the addition of an on deck Jacuzzi forward and a brand new, fully-equipped Technogym with a fold-down balcony.

Built in 2013 by Codecasa, Bon Vivant is a shining example of the Italian shipyard's custom-built, all-aluminium superyachts. A high-speed performance yacht, she is both seaworthy and comfortable with high quality, award-winning features to create an unmatched onboard experience.

Reaching thrilling top speeds of 29 knots, a sporty exterior design with open-plan layout by Andrea Bacigalupo creates near-endless deck space for guests to enjoy. Relax on the upper deck sun loungers, enjoy al fresco meals shaded from the midday heat, or take an aperitif on the inbuilt U-shaped seating with dinette tables on the foredeck. Those wishing to spend time bronzing will also appreciate the large foredeck sunpads, while further forward a smart deck space allows guests to truly appreciate Bon Vivant's incredible speeds.

Additional lounge seating is found on the main deck aft, which is subtly sheltered from both sun and wind. When at anchor, long hours spent in the generous beach club are made all the more comfortable by Bon Vivant's gyroscopic zero speed stabilisers. From here, guests can dive into snorkel exploration or up the tempo with a host of inflatable towables. A collection of the finest water toys, from jetskis and JetSurfs to SeaBobs

KEY FEATURES

- 1 Complete refit in 2020
- 2 Brand new Techogym
- 3 Brand new Jacuzzi on the bow
- 4 Brand new state of the art AV system
- 5 Equipped with zero speed stabilizers
- 6 High Speed Performance Yacht with a max speed of 29 knots
