Delivered in 2017, DA VINCI is one of the finest Mangusta 165 launched. DA VINCI has stunning built-for-speed lines and can reach a maximum speed of 38 knots, which will seduce the discerning clients and thrill seekers.

Her top performance does not outweigh the stunning style of this yacht. DA VINCI features blonde teak plank flooring and exceptionally wide side decks with impressive sightlines past the shapely superstructure. Her on-deck layout is extremely spacious. Another remarkable space is the spa pool and her bathing platform, which beckons guests to soak up the sun.

Indoors on DA VINCI, the main deck entertainment area is equally as spacious, with ample headroom. This space is further enhanced by natural light from large windows. The beautifully customized space has bleached oak flooring, a marble bar and a large sofa, which is as comfortable as it is elegant.

DA VINCI can accommodate 12 guests in six staterooms, all located on the lower deck. The full-beam owner's suite with its broad marble bathroom is located amidships, and is followed by three double, one twin and one single, located forward; all staterooms have en-suite bathrooms.
