large tenders, and accommodation to sleep 12 guests in 6 deluxe cabins, Halo is an eye-catching yacht and a prime example of radical design.

Specifically designed for world cruising, the 57-meter Feadship superyacht Halo is a beautifully modern vessel. The striking exterior designed by Eidsgaard Design Studio is defined by huge silver arches that dissect the superstructure - this futuristic feature guarantees the yacht will be unmistakably recognizable when at sea. Halo's interiors are equally as impressive as her exterior. Styled by Bernardi Peschard, the design features light oak, dark woods, and bronze inlays, which provide a clean, simple, and modern décor. Boasting an effortless cruising speed of 16 knots and a range of 5000 nautical miles, an enormous sun deck with custom Jacuzzi, two
