INVICTUS represents superyacht living at its very finest. With incredible volume over her six spacious decks, she easily gives the impression of a 75m yacht, offering more space, more light, more luxury and more fun!

Expansive deck spaces host a variety of exotic dining options, from breakfast on the sun deck, to lunch by the dip pool and a five-star gourmet dinner for 22 guests at the impressive

owner's deck dining table. Charter guests can make the most of the sun deck with its barbecue, jacuzzi and extensive sun loungers offering pure, uninterrupted relaxation.

This yacht's outstanding interior volume is enhanced by exotic woods, rare Italian marbles and Art Deco fixtures, while large picture windows throughout afford magnificent views. The owner's full beam master suite, with his and her bathrooms and study, has wrap-around windows looking over a private terrace and out to sea. Six individually designed guest cabins - four doubles and two twins - can be found on the main deck, plus two further double cabins on the lower deck.

On board INVICTUS entertainment is key, with a bar on every deck, a bespoke Lalique bar on the owner's level and a piano in the high-ceilinged main salon. The movie theatre recreates the full cinema experience with raised stadium seating for 14 people, reclining armchairs and a huge screen. A spacious beach club offers easy access to the yacht's vast inventory of tenders and watertoys and, for those wanting a more conventional workout, there is also a fully equipped gym. INVICTUS is wheelchair accessible and has an elevator linking the main, owner's and bridge decks.
