A rare addition to the charter market, JOY is a masterful collaboration of two yachting powerhouses; Bannenberg and Rowell for her exquisite exterior lines and Dutch pedigree yard Feadship realised her. Covering five decks, her expansive outdoor space goes unrivalled and adds to her appeal as a luxury charter yacht. Beautiful concave lines and the artistic use of glass creates perfect harmony between the exterior and interior making her an ideal yacht for summertime cruising. Specifically, pockets of air-conditioned indoor/outdoor zones known as 'winter gardens' were created to further enhance

this feeling of space.

Inside, Studio Indigo was responsible for her vibrant interior that includes an extremely flexible cabin layout sure to sleep 12 guests comfortably. With seven cabins, an elevator servicing three of the five decks plus an array of facilities dedicated to wellness (including a large gym, spa room and on board masseuse), JOY has quickly established herself as a firm favourite on the charter scene.

With a highly experienced and talented crew of 19, you can be sure that your every need will be exceeded while on board this prestigious new yacht.
