**Hull Configuration:** Displacement

Air conditioning, Deck Jacuzzi, Elevator/lift, Gym/exercise equipment, Helipad, Stabilisers at anchor, Stabilisers underway, WiFi connection on board

---

LA DATCHA is a global explorer superyacht combining the highest level of onboard luxury with incomparable on-the-water capability.

She was built to withstand the harshest of environments and reach the most remote of destinations, equipped with a commercially certified helipad along with two below deck hangers and a three-person TRITON submersible for exploring beneath the water's surface, helping guests get to the places others can't!

She was originally designed with major expeditions in mind,

from the Arctic to the Antarctic but is equally at home in any tropical paradise. Guests can watch whales breaching mere metres away from their front-row seat in the Observation Lounge, or jump into one of three tenders for an even closer encounter.

LA DATCHA offers luxury accommodation for up to 12 guests across six elegant cabins, including two masters and one VIP. Her interiors offer timeless, opulent luxury, offering a relaxing sanctuary after a busy day of exploration. There is a Jacuzzi on deck, or guests can visit the wellness centre to warm up in the Turkish Hammam, take an invigorating shower under the ice fountain, or unwind with a massage in the dedicated treatment room.

For more active guests, there's a fully-serviced gym with sea-views, plus a fully-certified dive centre equipped with a decompression chamber. Along with her enhanced fuel tanks and improved refuse management system, she can maintain autonomy at sea for up to 40 days! If you're willing to go off the beaten track, LA DATCHA is the one for you!

# KEY FEATURES

- 1 Ice Class and IMO Polar Coded
- 2 Large selection of tenders, jet-skis & water toys
- 3 TRITON 1650 Submersible (depth rated to 500m)
- 4 Full dive centre with decompression chamber

**YACHT LAYOUT**

The architectural drawings for the yacht 'SILVER' are presented in a vertical arrangement. At the top is the **PROFILE VIEW**, showing the yacht's hull, superstructure, and mast. Below this are eight deck plans, each with a corresponding **SECTION** view to its right. The deck plans are: **SUN DECK**, **CREWS DECK**, **BRIDGE DECK**, **UPPER DECK**, **MAIN DECK**, **LOWER DECK**, **TANK DECK**, and **TANK TOP**. The plans show the layout of the yacht's interior and exterior spaces, including cabins, salons, and deck areas. The **SECTION** views provide a cross-section of the yacht, showing the internal structure and the placement of various components. At the bottom of the drawings is a **PRINCIPAL DIMENSIONS** table, which lists the yacht's overall length, beam, draft, and other key measurements. The title block at the bottom right contains the project name, the architect's name, and the date of the drawings.
