The 41m Benetti Oasis yacht NORTHERN ESCAPE is offered for charter, and with her minimalist interiors and flexible living spaces, this motor yacht is a clean canvas for creating your own bespoke luxury yacht holiday.

The main deck, one of NORTHERN ESCAPE's best features, sets the scene for a cool, sunshine charter, where the open aft deck with U-shaped sofa, bar & teppanyaki grill, sun loungers, day beds and infinity pool connect with a swim platform with fold-down sea-level side platforms, to create a truly outstanding

beach club terrace. Additionally, a transformer platform allows for easy access to the water when lowered or can be turned into a diving platform when raised.

When shade is needed, guests can saunter beyond the flush sliding doors to the main deck salon, to enjoy unobstructed views of the sea and kick-back on the crisp white sofas that sit symmetrically, while one of the attentive crew brings them a cooling drink. Forward of this lounge is a formal dining area with two large wine cellars; the whole space is bathed in natural light, thanks to floor-length windows.

NORTHERN ESCAPE also comes with a fully private salon and terrace on the upper deck, and ample sunbathing space on the fore deck. Additionally, her very modern wheelhouse welcomes guests to enjoy panoramic views whilst cruising and her fantastic sun deck comes complete with Jacuzzi, sun pads, teppanyaki grill, bar, and alfresco dining for 12 guests.

NORTHERN ESCAPE can accommodate 10 guests in a flexible five-cabin layout, including a main-deck full-beam master suite with an office area, dressing rooms and his and her bathrooms. On the main deck, there is also an additional room with two fold-down bunk beds, which can operate as a wellness room when not being used as an extra guest or children's cabin. The rest of the accommodation is on the lower deck and includes two VIP cabins, and two twin convertibles with additional
