Air conditioning, Deck Jacuzzi, Gym/exercise equipment, Stabilisers at anchor, Stabilisers underway, WiFi connection on board

Orient Star has the most exquisitely designed interior by award winning Tara Bernerd, and this 47m motor yacht is truly in a class of her own. Built by Turkish shipyard, CMB Yachts and delivered in 2012, her interior has been custom designed specifically for friends, families and parties. Space planning for entertaining, namely the two salons, was of paramount importance. The main salon consists of a sociable seating area with an adjacent bar, all finished with warm woods and neutral hues.

Offering luxury accommodation for 10 guests, Orient Star's main deck is home to the full beam master suite forward. Boasting stunning views thanks to the floor-to-ceiling windows, the owner's quarters comprise a study area, walk in wardrobe and a spacious en suite. The remaining four en suite staterooms come in the form of two doubles and two twins, and are located around the central lobby on the lower deck.

The second salon, located on the upper deck, is an exceptional space and a fine example of perfection when it comes to the blending of natural light with a chic interior. Floor-to-ceiling sliding windows on either side of the room open up to reveal intimate yet spacious balconies. Not only do they offer panoramic views, they create a space ideal for entertaining, both during the day and in the evening.

Moving outside and to the full beam aft deck, sumptuous seating lines the curves of the superstructure. With optional sunshades and a large dining table, guests can enjoy an al fresco lunch or supper in the sun or shade. With an outdoor bar, a sociable seating area, and an inviting Jacuzzi surrounded by comfortable sunpads, Orient Star's large sundeck is the ultimate hub for entertaining, relaxing and lounging.

Orient star also offers guests endless entertainment and fun with an abundance of water toys including jet skis, a paddleboard and scuba diving gear. She also boasts a gym

KEY FEATURES
