Welcome to the next generation of superyachting!

REBECA, the first of the innovative Benetti Oasis 40m series, rips up the traditional rule book of superyacht design. Designers RWD erased all their preconceptions, took a clean sheet of paper and, with a more youthful family clientele in mind, started from scratch. The result is a yacht that transforms the relationship between guests, yacht and the sea.

Inspired by nature, she is a celebration of both life on the water

and time outside in the clean, invigorating ocean air, a blend of Italian elegance and British understatement packed with subtle design features that create a different experience.

Her three spacious decks are designed to provide a strong sense of continuity between exterior and interior spaces thanks to the use of pale materials and colours. The main and upper deck have large windows enabling natural light to be used as a design element. This characteristic and the well thought layout of the spacious interiors underscore a desire for symbiosis with nature. Your clients will enjoy an intense intimacy with the sea and unprecedented atmosphere of freedom.

Just a few steps from the sea, her beach club with side wings that open out to extend the floor space, turn this area into a huge lounge and terrace overlooking the water and designed to experience the life at sea in a completely new way. Your clients will lay back and find the perfect space for each moment of the day.
