Delivered in 2016, 41.4m (135.5ft) motor yacht RÜYA is brand new to the charter market. Her head turning exterior coupled with a thoroughly original and truly inspired interior saw her win two awards at the 2016 ShowBoat Design Awards. Built for al fresco living, she boasts a huge 93m² sun deck complete with bar, BBQ, 10-man jacuzzi and gym equipment. Inside, her Australian outback-inspired interior makes use of indigenous material like bamboo and Australian silky oak to create an opulent yet extremely liveable environment. Designer Australian Sam Sorgiovanni has really captured the brief of a casual, family-orientated yacht offering five spacious cabins
