Launched by Feadship's De Vries shipyard in 2015, Savannah is one of the most spectacular vessels afloat. Mixing powerful yet elegant design with impeccable eco-credentials, she is Feadship's first ever hybrid yacht, with clean and quiet electric-diesel performance allied to an extremely efficient hull design for sublime and conscientious cruising.

Guests will enjoy untold luxuries across her four decks and six cabins connected by a dramatic rosewood spiral staircase. The CG Design interior features dark rosewood floors throughout, with beautiful furnishings, atmospheric dimensions

and breath-taking vistas thanks to Savannah's peerless use of glass.

Each cabin and lounge has been designed to maximise the visual and human experience, the awe-inspiring underwater lounge and master suite, with its wall of glass and vast oval skylight, being two notable moments in this yacht's interior story.

Other features include a nine metre (30ft) swimming pool, a full beach club, private sun deck with DJ station and BBQ, a gym, spa, and elevator. Savannah is also notable for her extensive modern art collection.

Voted Motor Yacht of the Year at the 2016 World Superyacht Awards, and having won three prestigious awards at the 2016 ShowBoats Design Awards, Savannah is one of the most innovative and iconic vessels on the water and she is yours to experience.
