The stunning 85,1m superyacht SOLANDGE is one of the finest vessels currently available for charter and is the world's largest and most iconic yachts.

The gorgeous interior for SOLANDGE is the result of collaboration between Rodriguez Interiors and Dolker&Voges with using about 50 different marble and granite surfaces and more than 30 alternative woods.

Charter guests aboard are greeted by the vast elegant main saloon, boasting two magnificent walls of back-lit amethyst, which is the first thing to notice and feel. The interior of the ultra-luxurious yacht SOLANDGE exudes elegance, luxury and opulence, as you walk through the beautiful wooden floors with borders of honey onyx stone and gold leaf ceilings with Schonbeck chandeliers dripping with amethyst rose quartz crystals.
