Lady Jorgia

The 74m CRN Ancona-built motor yacht LADY JORGIA is a palatial five-deck yacht, with everything needed on board to ensure a dream charter experience.

Her outdoor spaces are definitely a key feature. There's a bottom-glassed pool on the main deck, a Jacuzzi on the sundeck and a spacious foredeck bow, which can be converted into a dancefloor or set-up for a dinner.

LADY JORGIA displays exceptional style, with exemplary exteriors by Zucco International Project and interiors by Winch Design. Her cutting-edge design won her the Best Layout award for her category at the World Yacht Trophies 2017.

Her upper deck salon and adjoining dining area offer a relaxing, sea-themed setting mixing cream tones with light woods and touches of blue, while the large windows allow for plenty of natural light.

LADY JORGIA's list of amenities is breathtaking, with both an indoor and outdoor cinema, a gym, plus a spa that connects to an outside massage area thanks to a fold-down balcony.

Throughout her five decks, she can accommodate 12 guests across eight luxurious cabins, including a stunning master suite with huge windows offering panoramic views from bed and a private terrace forward.

The en-suite VIP cabin can be found on the upper deck and has sliding doors to the side deck, while the remaining cabins can be found on the main deck and comprise of four doubles and two convertible twins.
