Delivered during the Summer of 2017, M/Y AMIGOS is an outstanding upgrade of the popular Amels 180 Limited Editions range. Her generous lines, designed by the talented and preeminent Tim Heywood, constitutes the success of this semi-custom superyacht: large volumes start from her swim platform and continue up to the Main Deck aft lounge, ideal for evening cocktails at sea. AMIGOS sets herself apart from others in her category, however, with her outstanding Bridge Deck, quite unique to her: this area is unusually placed alongside the Owner's cabin, created as such to provide a

private and exceptional 180-degree terrace fitted with circular table for 4 guests and sun loungers. Continuing up the decks, her Sun Deck is a model of her own: with a giant sunbathing on the aft, a dining table for 10 for al fresco dining, comfortably in the shade of the mast superstructure, and extra-large Jacuzzi with a contra flow pump - allowing the guests to swim on the spot - the surrounding lounge sun pad area and standalone sun loungers are unbeatable for a day relaxing in the sun. For additional entertainment, AMIGOS also boasts a projector mounted onto the back of the sunpad for an incredible home cinema experience.

Her interiors are beautified by the tasteful decoration skills of Laura Sessa, with an intelligent layout to provide the ultimate in luxury. The Main Deck salon and dining area, including a 10-person dining table, 105" curved Samsung TV, and sofas, are cleverly integrated into the design, making this space generous and warm. Views here are enhanced by fold-down balconies on both the port and starboard sides, creating your own private terrace with uninterrupted sea views. Continuing on Main Deck, discover the fully-equipped Gym, built to maintain your strength even while cruising. On the Lower Deck, the Beach Club is equipped with a steam room and a large selection of water toys, increasing further the opportunities to relax and have fun on board.

For the accommodation, AMIGOS offers 6 cabins: a generous
