From her 14.6m (48ft) chase tender and her wide range of watertoys to a talented crew that will go the extra mile to delight guests and a gastronomic wizard of a chef, GLADIATOR has every element needed for an unforgettable charter experience.

GLADIATOR's stand-out feature is the large beach club with a vast hydraulic swim platform extending back to the chase tender. Guests will spend endless hours of fun here, from

adrenaline thrills on the Sea-Doos to more relaxed exploring on a water bicycle, bouncing on floating islands and whizzing down a 9m waterslide from the sun deck, there is so much to do.

Fitness fans will love the gym facilities in the beach club which is perfect for sea-level work outs.

Once you have reached your fitness goals for the day, you can unwind in the adjoining steam room. When ready for lunch, guests can jump in the chase tender and head to a deserted white-sand beach where the crew has set up the yacht's BBQ for a beach party.

Come evening, you may choose to dine on the bridge deck aft or in the main lounge for a more formal setting. The sky lounge has floor to ceiling windows that can be opened to create a wonderful al fresco space and the sun deck offers another large area with sun loungers, jacuzzi and coffee tables for perfect relaxation under the extendable awning.

Her 10 guests can choose from four convertible cabins on the main deck; all are bright and fresh with large windows and neutral shades of cream, taupe and grey throughout. Waking up in the main deck master suite, guests will greet the morning light through a skylight.
