The longest Benetti with a spirit of an explorer, exterior design courtesy of RWD Studio to succeed a flawless silhouette built by the brand Italian shipyard Benetti.

She is a masterpiece in purity of lines, so naturally no safety rafts or wing stations can interrupt her grace.

IJE welcomes 12 guests in 11 suites including a private owner's deck. 6 occasional workers could be allowed upon Owner's approval.

Accross her 3,600 GT, her interior features a gym, a cinema, a night club, a beauty salon and a spa.

IJE boasts more than 1,000-square meters of outdoor space

which include a large jacuzzi on the bridge deck as well as an alfresco dining area and a huge grand dining table on the main deck by the aft pool.

Two custom 12-metre tenders are stored on her foredeck along with eight jet skis, and two fold-out terraces sit above the waterline to allow for a full-beam beach club from port to starboard. Twin MTU engines can send her to a top speed of 18.5 knots across a range of 6500 nautical miles.

IJE is powered by an entirely electric propulsion system. IJE operates the finest sustainable propulsion, the E-Mode Hybrid system with a significant reduction in emissions, easy management, reliability, and can reduce Nox emissions up to 70% and CO2 emissions up to 20%.
